OFFICE POLICIES NOTICE & AGREEMENT

APPT DATE		ACCT NO.	
NAME		DOB	

- **Payment for Services:** Payment for patient responsibility is required/due at the time of service. Patient responsibility includes office visit co-pay, co-insurance, and deductible. In many cases, co-payments only cover the office visit charge. Any procedures performed, including but not limited to treatment of fractures, injections, fitting/delivery of durable medical equipment, are considered surgery by your insurance company and deductibles/coinsurance may apply. In the event that any unpaid balance reaches delinquent status, I agree to pay up to 35% of my balance in fees and costs that Premier Orthopaedics & Sports Medicine may accrue in collection of my balance owed, as well as an 18% per annum interest rate on the amount owed.
- **Insurance Claims/Payment/Cost Estimates:** We will file claims to your insurance as a courtesy to you. If we are filing insurance for your visit, we must have complete information and any required referral at the time of the visit. If you cannot provide the information, we will be unable to file your insurance. Insurance payment for the services rendered can only be estimated prior to claim submission and processing by your insurance company. Payment and fees are determined by your individual health plan. The amount applied to your plan deductible and/or coinsurance is the patient/guarantor's responsibility. Procedures which are excluded from coverage, based on your plan's determination of medical necessity, are also the patient/guarantor's responsibility. We will provide you with the necessary documentation to file for reimbursement upon your request.
- **Appointment Cancellations/No Shows:** This office sees a high volume of patients, to ensure that everyone receives the most prompt and courteous care available; please call us if you cannot keep your appointment time, so that it may be offered to another patient. In the event that a patient fails to show up for their appointment without notifying us, a **$25 charge** will be added to their account balance. Our staff makes every attempt to maintain the schedule and flow of patients. However, due to the nature of our business, circumstances may arise resulting in longer wait times than expected. Unfortunately, due to this, we cannot be held responsible for time lost during the wait. We apologize in advance for any inconvenience.
- **Work Statements:** Occasionally, it is necessary to provide a patient's employer with a statement regarding work. Physicians not only have ethical responsibilities with such matters but legal liabilities as well. In this event, a statement specific to the patient's condition is administered defining their **limitations**. It is the employer's responsibility to provide a position accommodating these limitations or determine if such a position is unavailable. Dr. Hamidian cannot write a statement removing a patient from work unless the patient is totally incapacitated, which is rarely indicated.
- **Pain Medication:** In the best interest of his patients, Dr. Hamidian strictly monitors the usage of narcotic pain medication in his practice. Pain medication is intended for **temporary** relief of symptoms. It is the primary goal of Dr. Hamidian to offer superior care to his patients. Therefore, his treatment is aimed toward the long term correction of an affecting condition. While situations do arise that necessitate pain medication, these types of drugs are very dangerous and can result in chemical dependency.
- **Paperwork Fees:** In compliance with the laws of the State of Alabama, our fees for medical records include a **$5.00** retrieval fee as well as the following:
  - Paper medical records: **$1.00** per page
  - Digital copies of X-Rays on CD-ROM: **$10.00**

  In addition, the completion of employment/insurance documents requires a charge of **$10.00 per page**. Our office is very busy meeting the needs of all patients; therefore it is not unusual for these requests to take 5-10 business days for completion.
